FEBRUARY 2012

The inaugural CASE NEWSLETTER hits a home run with highlighted first time starter MAMMA KIMBO running to her strong morning activity. She paid a surprising \$14.60 on the win end. Toby made her best on the Winners Card that day and we also had her as the Key Play on the So-Cal Works report. But we must turn the page on that success and grind forward with hopefully more profitable information.

EVOLVING YOUNGSTER LOOKING FOR RIGHT SPOT

- ***WRONG PLACE AT THE WRONG TIME***

JOHN BULLY'S BOB is an immature, leggy colt with plenty of room to grow on the track. He is a work in progress that has had the misfortune of facing some of the top three year olds we have out here on the West Coast. In his debut he faced the talented Gaines trainee Midnight Transfer, (recently logged a huge seven furlong drill w/ Victor on board, storming home in 23.0 on the 26th) who recently took down the San Pedro stakes over the San Vicente victor Drill. In his next start he battled another stakes talent in the form of Carava trainee American Act. American Act ran a strong second in the San Vicente over the aforementioned Baffert runner Drill. And to top it all off, in his third start he ran behind arguably the most impressive maiden winner of the meet Bodemeister.

- ***KEY WORKS COME IN ALL SHAPES AND SIZES***

'BULLY'S BOB sent out positive vibes in a 49.00 half mile on Feb. 23rd. A 49.00 on paper will not command attention but like all morning drills, the clocking is not the most important aspect. The visual is the key. Leggy guy was hitting the ground in a healthy and sound manner. Giving us clear signs that his progression remains on point.

TRIP NOTE & THE IMPORTANCE OF REAL TIME INFO

TAMARACK SMARTY disappointed in most recent race on Saturday Feb. 25th. But the disappointment was not surprising after taking a look at him in the paddock and post parade before the race. He showed up flat and developed significant kidney sweat. So when he fell out of contention early it was a symptom of him not being at the top of his game that day. This race note highlights the importance of having access to real time information the next time he shows up on race day. Toby is on track almost every race day.

BOXEUR DES RUES is a TRIP NOTE horse from our January newsletter that has not returned to run. It is interesting to note that he is entered to run in the Santa Anita Handicap this weekend. The O'Neill trainee figures to go off at a large number. Could prove a useful bomber if you are playing the exotics.
