### CALIFORNIA SELECT:

Key workout information brought to you by **SO-CAL WORKS:**

### Race #7: Allowance

#### SO-CAL WORKS

<b>B+</b>	IVORY FUDGE	5/11: Seriously sharp right now for Team Sadler. Steaming home in 35.00, 46.60. Enjoying his job. HP {46.80}
<b>B+</b>	FARMER GILES	5/3: Appears to be coming out of his skin right now for Cecil. Believe this colt is sitting on a good one. SA {1:00.20}
<b>B</b>	GRACE UPON GRACE	5/8: Rider did not want to let him do too much. Kept him under a strangle hold while he basically toyed with an overmatched Sherlock trainee. Gave him credit for five. Final three furlongs in 24.20, 36.20. HP {48.20} 4/25: Always liked him as a two year old. Appears to be coming back well for Solis. Healthy appearance and keeping to task in the final stages. HP {1:13.60}

**#3 IVORY FUDGE {DH}:** Gets the nod in here off an energetic series in the a.m. It seems like Sadler has this colt ready for his absolute best. We shall see if it is good enough.

## **Playing With:**

#8 FARMER GILES – Caught **TOBY'S** eye in last couple drills at Santa Anita.

Hopefully Rosario will allow this guy to run along on a loose rein instead of grabbing.

#5 GRACE UPON GRACE – Returns for trainer Walther Solis. Liked this guy as a two year old. I think he comes back a better horse.

#4 LOCKSLEY HALL – Is the deserving favorite because it appears he will be able to clear on the front end. Dangerous speed.
