Trips & Trouble Lines

Excuses... *Strong, Very Good, Good*

3rd Race:

HUDSON LANDING, (10/9) Was unlucky to lose in z-pattern effort where he raced close-up to a blazingly fast pace, steadied sharply to fall back a bit on the turn, and then came again inside only to get beat by a perfect-trip favorite who rallied from far back. (*Strong*).

5th Race:

ZIPTRONIC (Main track only), (9/2) Set a fast and pressured pace and was the only front-runner still around at the finish in a race otherwise dominated by deep closers. (*Good*).

8th Race:

BOXITUP, (9/24) Obviously needed a race two starts back in return from a 10-month layoff, and was simply prepping for a stretchout in that 7F sprint. (*Very Good*).
