VIDEO NOTEBOOK
RATINGS... SUPER VERY GOOD GOOD

RACE 3
SAGINAW: Dragged rider to lead between runners after first quarter. Had to love the way he re-rallied after being headed. Game win. (GOOD)

RACE 4
MAMA DUKES: Broke off balance costing her big position early as rider kept her bottled up through opening quarter. Staged an honest rally in final quarter. This was a new dimension shown. Improving. (VERY GOOD)

CLAP HANDS: Gritty effort off the bench. Never in a comfortable running position when hustled along to force pace in very tight rail spot. Never quit. (VERY GOOD)

RACE 7
LEAPDAY: Given an aggressive ride early out of his rail post. Lost key momentum when having to wait on turn behind leader. Could not quite get back into best stride after that. (GOOD)

FEROCIOUS WON: (Nov 24) Believe gelding was unlucky to lose this race two back. He lost important position before the turn. Then closed really well to just miss. This kind of effort makes him a fit at a price. (VERY GOOD)

Race 8
D' ORATORY: Won like an odds on favorite should. Took advantage of perfect stalking trip to win for fun. Impressed with her consistent action throughout. Striding out like a horse with upside. Form notes say ridden out. Dominguez barely moved an inch in this win. (SUPER)
